

## **ATTENTION ALL ARTISTS!**

The City of Gulf Shores, the Coastal Alabama Business Chamber and the Gulf Coast Arts Alliance are proud to announce an exciting opportunity for local artists to showcase their work through the new Turtle Tracks™ Art on Parade program.

Turtle Tracks™ is a public art project dedicated to the awareness and support of environmental conservation, sustainable tourism, and community arts and culture, while enhancing the quality of life along coastal Alabama.

All local artists are invited to participate by submitting original designs for the Bale of Turtles released in and around Gulf Shores. Up to ten of the submitted designs will be selected and artfully applied to the Turtles with a \$500 award to the designer for each design chosen. All chosen designs will become the property of Turtle Tracks™. Winning designs will be revealed at an unveiling determined by the Sponsor and Turtle Tracks Committee.

All turtle designs must be submitted to the Gulf Coast Arts Alliance. Designs submitted will be held for the future sponsored Turtles. Artists will not be required to paint or furnish materials to complete the final production of the turtles.

Please fill out the attached application if you are interested.
